Church Camp! Mark your calendars,
plan your leave. We will be joining DCC
and MBC at **YMCA Nilshi**, October 3-5,
2014. Contact Stephen for details.

We have gotten accustomed to the blurred puffs of gray fog that pass for doctrine in churches and expect nothing better. From some previously unimpeachable sources are now coming vague statements consisting of a milky admixture of Scripture, science, and human sentiment that is true to none of its ingredients because each one works to cancel the others out. Little by little Christians these days are being brainwashed. One evidence is that increasing numbers of them are becoming ashamed to be found unequivocally on the side of truth.

They say they believe, but their beliefs have been so diluted as to be impossible of clear definition. Moral power has always accompanied definite beliefs. Great saints have always been dogmatic. We need a return to a gentle dogmatism that smiles while it stands stubborn and firm on the Word of God that lives and abides forever.
